<sup>1</sup> 'First generation' refers to those who are foreign born; 'second generation' refers to those with at least one foreign-born parent; 'third-and-higher generation' includes those with two U.S. native parents.

<sup>2</sup> Households in which at least one member is related to the person who owns or rents the house (householder).

<sup>3</sup> No spouse present.

Note: Numbers in thousands. Universe is the civilian noninstitutionalized population of the United States, plus armed forces living off post or with their families on post.

<sup>1</sup> A metropolitan statistical area is defined as an urbanized area of 50,000 or more population. The "outside metropolitan statistical areas" category includes both micropolitan statistical areas (10,000 - 50,000 population) and territory outside of metropolitan and micropolitan statistical areas.

<sup>2</sup> 'First generation' refers to those who are foreign born; 'second generation' refers to those with at least one foreign-born parent; 'third-and-higher generation' includes those with two U.S. native parents.

Note: Numbers in thousands. Universe is the civilian noninstitutionalized population of the United States, plus armed forces living off post or with their families on post.

.Entered before 1970	1,983	10.7	1,983	10.7

<sup>1</sup> 'First generation' refers to those who are foreign born; 'second generation' refers to those with at least one foreign-born parent; 'third-and-higher generation' includes those with two U.S. native parents. This table includes data for only the first generation because only foreign-born respondents are asked the year of entry question.

<sup>2</sup> The category '2000 or later' includes 2000-2009.

Note: Numbers in thousands. Universe is the civilian noninstitutionalized population of the United States, plus armed forces living off post or with their families on post.
